WORK EXPERIENCE

IHP Program Assistant November 2025 - Now
Working with the IHP group specializing in the graphics, and handling of graphic materials for the mobile exhibition *Blueprints of Power: The University and Urban Renewal in Flint*.

Graphic Design Contractor August 2025 - Now
Working with various groups, aiding in illustrations, logos, and other graphics needed for each specific job.

Graphic Design Intern April 2025 - August 2025
Continued to collaborate Collaborated with company-wide stakeholders at Edward C. Levy on diverse projects. Projects included photographing company sites, social media posts, event planning, and dother graphic works. Mostly working with the Information and Technology Department.

Graphic Design Contractor August 2024 - April 2025
Independently managed assigned projects and collaborated with various clients and stakeholders. Projects included designing email headers, event planning materials, brochures, logos and zines.

Research Work Study March 2024 - July 2024
Collaborating with the St. John Street Committee, their designers and also a small group of other students, we ideated physical and AR ways to memorialize the neighborhood of St. John Street through design.

Graphic Design Intern April 2024 - August 2024
Collaborated with company-wide stakeholders at Edward C. Levy on diverse projects. Projects included photographing company head shots, creating video shorts, and designing a holiday card. I collaborated with a small team to ensure we met the company's brand guidelines and goals.

Student Project Manager January 2024 - April 2024
Led a team of student designers in a UM-Flint Design Studio class. Collaborated with community partners to achieve their design goals, including logos, signage, historical images, and memorials.

Freelance Designer April 2018 - June 2019
Designed custom graphics for clients while maintaining a strong focus on creativity, branding, and timely delivery.
